MERRY CHRISTMAS

BOISE JUNIOR COLLEGE ROUNDUP

DECEMBER 19, 1963

The Christmas Message

The best Christmas message I can offer at this time of year, is a page of quotation from Luke 2, verses 9 to 12. Dr. Eugene B. Caffee stated:

And an angel of the Lord stood by them, and the glory of the Lord shone round about them; and they were sore afraid. And the angel said unto them, Be not afraid; for behold, I bring you good tidings of great joy which shall be to all the people; for there is born to you this day in the city of David a Saviour, who is Christ the Lord. And this is the sign unto you: Ye shall find a babe wrapped in swaddling clothes, and lying in a manger.

Spanish Club Plans Pinata Party At Children's Home

A pinata and serenade party will be given Friday night at 8 o'clock by members of the Spanish club for the boys and girls in the Children's Home on Warm Springs avenue.

Flamenco type Christmas carols will be sung to the accompaniment of castanets (played by Pilar Ibarra) and maracas and tamborines. Mrs. Camille Power, club advisor, reports.

Pinatas in the shape of stars are being prepared, under the direction of Rudy Villalobos and Sandra Calderwood. The Christmas project was financed by the proceeds of the recent colored film "Flamenco" presentation under the auspices of the club, Bill Hallock, president, said.

A Message To The BJC Student Body

On behalf of the Student Council we want to express our sincere thanks for the participation and support you have given us this semester. Your help in supporting all school functions including the "Hello Walk," Homecoming activities, elections, blood drive, United Fund drive, Stamp drive, and all social affairs have gained comments from both the faculty and the general public. These activities have all reflected on the reputation of BJC as a whole. We hope you appreciate the time and effort that committees have put into their projects. Please continue to help maintain the atmosphere that has existed this past semester and feel free to approach any Student Council member concerning any problems or ideas that may pertain to BJC, socially or academically, in any way. Remember that we represent you, the Student Body.

The Student Council wishes to extend to you a very Merry Christmas and a safe New Year.

What can I give him, poor as I am? If I were a shepherd I would give a lamb, If I were a Wiseman I would do my part, yet what can I give him? I give him my heart.

—A Christmas Carol, "In the Bleak Mid-Winter"

Student Thoughts on Christmas

In the flurry of study, and the rush of holiday activity we stop for an instant with a sudden thought, it is only six days until Christmas! Once again the miracle of love and joy is settling down on the world and on our little part of the world.

This will be a quiet Christmas, with a nation still in mourning for our slain young President. The tragedy has made a significant impact on our attitudes this holiday. As a whole, we are more aware of the unity of the United States and of the wonderful spirit of this international feast. Mankind is rejoicing for the birthday of a Child and for the symbol of peace on earth to men of good will.

Here in Boise, we can hear the bells ringing and the spontaneous outpouring of carols and laughter, we can see the smiles on the faces of shoppers and delight in the enraptured glow of the children's faces. Icy weather, the smells of Christmas foods, the fabulous toys, the evergreen and trees, decorations everywhere—this is the American Spirit of Christmas. Yes joy, happiness and laughter, all of these are Christmas, but most of all, Christmas is love. As we face the New Year, may this feeling of good spirit prevail throughout the coming months.

Home for Christmas Safely

I'll be home for Christmas . . . What a wonderful thought that is, especially for those students who have been away from their families for almost four months now. The spirit of Christmas is intertwined with the joy of sharing the happiness with those we know and love best—our relatives and friends at home. Overshadowing this gay spirit of homecoming is the grim reality of holiday death traffic tolls. So we exclaim, as you drive out of sight: "Merry Christmas to all and drive safely tonight!"

Filling the Need for Nurses

There are many in this school and community who do not fully understand or appreciate the Boise Junior College nursing program. The two-year college-sponsored nursing program is a relatively new one, having been in existence at BJC since 1957. It concentrates on the scientific, technical and human relations aspects of nursing rather than daily repetition of sickroom chores.

Students have the advantage of receiving their education in a college environment. They are given special training and cultural outlets which enables them to deal more effectively with their patient's emotional, as well as physical, problems. As graduates, they may work in hospitals, for doctors or in industry, and receive the same salary as three or four-year graduates when duties and responsibilities of position are the same.

Our program is something for which the community should be thankful in that it is providing sorely needed nursing personnel.

Collecting Books for Asia

Projects-chairmen of the various service clubs on campus have a "natural" in the form of the International Relations Club yearly Asian Book Drive, to start upon our return to school in January. We heartily recommend this practical approach to service for others.

Something to think about is a possible contest between the various clubs to see who contributes the most volumes.

The books will be sent to libraries throughout Asia. Attention, all project chairmen!

Administrators Attend Association Meet

President Eugene B. Chaffee and Dr. A. H. Chatburn, Dean of Faculty, recently attended the annual meeting of the Northwest Association of Secondary and Higher Schools, in Reno, Nev.

Of major concern was the ratification of the Federation of Accrediting Commissions of High Education. The proposal was passed. It will combine the six national accrediting agencies of the nation into a federation.

INSIDE DRISCOLL HALL

Action is being taken to improve the grade point averages of Driscoll hall men by the semester finals. The dorm grade average for the mid-term was 1.86 with 63 per cent of the residents below 2.00. Highest point average was 3.50.

A plaque designed by Rich Book-er will soon be displayed as a mantel piece over the fireplace.

The scholarship fund was \$46.20 richer from earnings of the two pop machines in Driscoll Hall.

Christmas . . . What Does It Mean To You?

By Gary Van Elsberg

Do you get the impression that Christmas is just one big birthday for everyone except the people who are poor? Sometimes this is what I feel is happening. What would one of the Wisemen think about today's modern Christmas if he returned to earth for a visit? Can you imagine some of the questions he might ask us? If he saw a sign advertising "Xmas" trees for sale, would he know what an Xmas tree is or what it's used for? The best explanation one could probably give him would be to say, "Oh, we decided that Christmas is too long a word to write out, so we took C-h-r-i-s-t out of it. This is an excellent example of taking Christ out of Christmas. And if the Wiseman did ask you what the Christmas tree was used for, what would you tell him? Would you tell him it's used mainly for everyone's presents?"

Even if you did tell him the truth, he probably wouldn't understand what today's Christmas is all about, or what it means to most people. He was present at the very first Christmas a long long time ago. It also would be difficult explaining to the Wiseman about the recent restriction of children singing Christmas carols in an elementary school in San Mateo, Calif. Yes, the world has really changed since that first Christmas day so long ago.

Here's what Christmas should mean to you. Perhaps fond memories of the many Christmases past spent with your family. Maybe you sang your favorite Christmas carols and pulled taffy. Perhaps you went for a sleigh ride in the snow to your grandmother's house for Christmas dinner, and maybe you went to your church to sing carols and pay reverence to our Lord and Saviour.

It's too bad the Christmas spirit doesn't stay in men's hearts longer than it does.

Christmas and Easter are not the only times we should go to church, but this is the characteristic of a great many people. We should live the true Christian life, not only during Christmas but every day of our lives, and we should attend church regularly, not only for our spiritual growth, but for our mind's development as well.

We've commercialized Christmas until it has lost its real meaning. I enjoy giving presents as much as anyone else does, but maybe this isn't the right thing to do. Nevertheless, Christmas does have a deeper meaning for me because at Christmas time I can see and feel a certain spiritual change in man's relations with one another, even if it lasts for only a short time.

Christmas is a joyful time, especially if you let Christ have his way in your life. Merry Christmas to you all, and remember that Christmas is the Saviour's birthday, not ours!

Forty-three students from Mr. Paul Nelson's geology class visited the state highway testing laboratory Tuesday afternoon. "This field trip was the highlight of our excursions to date and was of great interest to most of the students," said Mr. Nelson.

MERRY CHRISTMAS EVERYONE

THE UNBROKEN SONG

I heard the bells on Christmas Day
 Their old familiar carols play,
 And wild and sweet
 The words repeat
 Of peace on earth, good will to men!
 And thought how, as the day had come,
 The bell-ringers of all Christendom
 Had rolled along
 The unbroken song
 Of peace on earth, good will to men!

FLAMENCO PLEASES FILM AUDIENCE

The color film, "Flamenco," sponsored by the BJC Spanish Club, was well received by an enthusiastic audience last week in 108S. The film was based on authentic Gypsy dancing and singing which ranged from the bright and joyous to the bitter and cruel. Pagan practices which had been brought over from India to Spain were reflected in the songs and dances. Songs of traditional glories and love set the mood of the story.

Highlighting the show was the rhythm of the dancing of Pilar Lopez and Antonio, top dancers in their country—K.U.

The library will close at 5 p.m. and will reopen at 5 p.m. The following hours will be served: Thurs., Jan. 2, 10 a.m. to 5 p.m.; Friday, Jan. 3, 1 to 5 p.m.; Saturday, Jan. 4, 2 to 5 p.m.; Sunday, Jan. 5, 2 to 5 p.m.

If you happen to be a student who might be interested in the 15 days of Christmas, the library has a great number of outstanding non-fiction books. These are: Looking Backward 2890-1887, by Edward Bellamy which gives the author's idea of what life will be like in the year 2890. A story of intense and untrated love, of hate and revenge set in the wild moors of England is pictured in Wuthering Heights by Emily Bronte.

Fyodor Dostoevski's Crime and Punishment tells of a sensitive intellectual who is driven by power to believe himself exempt from moral law. Richard Llewellyn describes the tragic end of a

idyllic mining village in How Green Was My Valley. The list is endless, but among others are

Trilogy by Charles B. MacArthur and James Norman Hall; Anna Karenina by George Orwell; An American Tragedy by Theodore Dreiser; Les Miserables by Victor Hugo; All Quiet on the Western Front by Erich Maria Remarque; Martin Luthard Luther by Hans Reuter; War and Peace by Leo Tolstoy; The Grapes of Wrath by John Steinbeck, and Glantz in the East by Ole Rolvaag.

The Scarlet Letter by Nathaniel Hawthorne, describes the less workings of conscience in a man who seeks to conceal guilt in Puritan New England. F. Scott Fitzgerald describes the lives of wealthy persons in the New York during the "roaring twenties" in The Great Gatsby. Then, of course, Margaret Mitchell's Gone With the Wind.

The story of the crew aboard the "comet" in the North Atlantic during World War II is described in Monsarrat's The Cruise of the Clair Lewis portrays a young doctor who must decide between worldly success and money and his own desire to devote himself to scientific research in America.

Dr. Howard M. Chaloupka sent 60 books to the library ranging from history to geography to selected materials.

The medical materials set of stereopticon slides only, complete with Chaloupka's son, Tom, more at BJC.

Collegians Celebrate Christmas by Serving

Traditional Observances Are Held As Junior College Dons Holiday Attire

The sights and sounds of Christmas filled the campus and the spicy fragrance of evergreens permeated the halls this last week before Christmas vacation. It was a time for giving and thinking of others, as well as making excited preparations for a carefree holiday at home, away from studies and term papers. Wednesday night, members of the Golden Z's and Valkyries went Christmas carolling at the homes of Dr. and Mrs.

Eugene Chaffee, Dr. and Mrs. A. H. Chaburn, and other college instructors.

The eight-foot tree adorning the hallway of the Student Union building was decorated by the Valkyries Saturday morning, following their Friday night initiation activities. Carrying on the club tradition, each Valkyrie signed her name to a shiny red ornament and added it to the others which have been accumulated over the years by previous club members.

The women's service organization also made the four wreaths decorating the SUB windows.

"Santa's Helpers"

BJC students Kathie Sundbeck, Ken Uranga and Kay Redford interviewed the patients at the Ada County Nursing Home earlier in the month, assisting a Statesman newspaper reporter in compiling the Christmas wishes of the patients. The list is published annually in the paper and gifts are contributed by citizens and groups. The students commented on the modest requests of the patients, many of whom said, "I can't think of anything because I have so much already," embodying the true meaning and spirit of Christmas.

BJC Women

Instead of a gift exchange, BJC women faculty members, wives and office staff brought gift-wrapped items for patients at the Ada County Nursing Home to the annual Christmas party Monday night in the home of Mr. and Mrs. John F. Hager.

Student Nurses

Dressed in holiday costumes, the following student nurses will serve

at the annual St. Luke's Christmas party: Mardi Gale, Nancy Naser, Betty Smith, July Rohrbach, Inez Hussman, Shirley Mueller, Mary Ann Bauman and Wilma Cowger.

Members of the Nursing club held a snow party in the hills on Saturday. Members of the club also held a cake sale recently at St. Luke's hospital, the proceeds from which will go to a fund for the construction of a girls' dormitory for Formosan nursing students.

Intercollegiate Knights

Members of the Intercollegiate Knights collected a large basket of food and presented it to a needy family for Thanksgiving. This is one of many service projects of the men's service club.

Morrison Hall

Residents of the girls' dormitory also prepared a Thanksgiving basket, a tradition at the hall, Sandie Cook, publicity chairman, reported. Paulette Kerner and Rose Kasel

presented the basket to a needy family.

The coeds spent long hours decorating their rooms and suites for the Christmas open house last Sunday. After the departure of the guests, they had their own Christmas party, where a unique gift exchange was held, the gifts being for the boys and girls in the Children's Home.

The Morrison-Driscoll Christmas dinner, prepared by Saga Food Service, was held in the SUB Wednesday night. Special guests were Dean of Women Miss Helen Moore and Dean of Men Mr. Edwin Wilkinson.

Driscoll Hall

Men's dormitory residents exchanged gifts in a laugh-filled evening Tuesday, for the gifts were appropriate for the receiver, although impractical. Dell Isham, publicity chairman, explained.

Planning ahead into 1964, Sunday, Jan. 12, has been set for a hayride for Driscoll Hall men and their dates. Joe Seelig is in charge of arrangements.

Asian Book Drive Planned by IR Club

The International Relations club

will sponsor the annual Asian Book Drive beginning Tuesday, January 7, 1964. Books may be dropped in boxes located in the library, SUB and Science building. Books that are contributed should be dated no later than 1945 and may be paper back or hard back. All categories of books are desired, especially by well-known authors such as Dickens, Tolstoy, Steinbeck, Salinger, etc. History, mystery, biography and books of this category are also wanted.

The books will be sent to libraries in Asia.

Beginning January 14, the International Relations Club will start a house to house canvass for books. Last year this residential collection drive resulted in over 200 books being contributed.

Pat Morris, International Relations club president, said, "This is a fine and worthy project and I hope that all students will share their books."

CLUB NEWS

Miss Dore Kelly, nursing instructor, was mistress of ceremonies at a District Nurses Association banquet held recently in the Town House. Senior nursing students, BJC Carol Fountain and her husband, and senior nursing students from St. Alphonse were guests.

Sally Morrow and Carol Fountain recently journeyed to Ticks College where they observed the nursing program and toured the campus.

After eight weeks of pledging, which included wearing the wings and tails of the Valkyrie, carrying a torch to school and wearing Valkyrie signs, sixteen pledges suffered the tortures of "Hell Night" on the very appropriate day of Friday, December 13. The group gathered at the home of Renae Hammond for their final pledging activity.

The Intercollegiate Knights attended a regional convention at Klamath Falls, recently and obtained a better perspective of how the IK's operate on the national level. The IK delegation included Kara Natanson, James Swan and Rex Lange. Renae Hammond, IK Advisor, and Mr. Fred Kellogg, faculty instructor and advisor, also attended the meeting.

THE BON MARCHÉ

Just give him a smile and a glance... he'll treasure both. For the man in your life who makes you say "I Love You" better than a gift from the BON MARCHÉ.

Why not do Mom and the family a favor by bringing home some decorations, candles, ornaments, and other little extras? The BON MARCHÉ has some unique trimmings.

Here are some spur-of-the-moment gift suggestions for people you want to get a gift for but just haven't the time. And don't forget yourself. You will find here a selection that is unequalled anywhere. 15-Minute Western... Popular... Christmas... Classical... Dinner Music... Comedy... and many others.

While you're browsing the record department (on the mezzanine), nose through the book department. Keep the true meaning of Christmas in someone's mind and heart with the gift of a Bible. Or for little brothers, sisters, cousins, or friends, you will do them a favor by presenting them with an educational storybook.

Everyone at the BON MARCHÉ extends their best wishes for a very Merry Christmas and a prosperous 1964.

So until next year, I also wish to you, my loyal readers, a happy Holiday Season.

Fashion Tips... by Celeste Poe

IF YOU ARE TALL...

Achieve an attractive fashionable look by wearing longer jackets, wide belts, bold color contrast. Medium size prints are good... and don't be afraid of high heels!

IF YOU ARE SHORT...

Vertical lines, high heels and heels, slim short skirts, narrow belts and single-color costumes are best for you.

IF YOU ARE THIN...

You're probably a natural born clothes horse. You can make the most of soft drapery fabrics, bright satins or spongy tweeds, full pleated skirts, ruffles and bulky belts.

IF YOU ARE PLUMP...

Concentrate on tailored lines and dark colors. Flared skirts flatter your figure... ruffles, thick tweeds and sleeveless frocks don't.

Happy Holiday to the BJC Faculty!

PRESIDENT AND MRS. EUGENE B. CHAFFEE'S Christmas greetings this year feature an artist's conception of Christ Chapel, erected in 1868, and restored and moved to Boise Junior College campus this year. The picturesque white chapel was the first Protestant Episcopal church in Montana, Idaho and Utah.

ENGLISH TEACHERS ATTEND CONVENTION

A record number of English teachers, including Boise Junior College instructors Mrs. Ada Hatch and Mr. J. Roy Schwartz, attended the three-day meeting recently in San Francisco of the National Council of Teachers of English.

Teachers came from Harvard University, New York, Florida, Illinois, Texas and all of the western states. Discussion leaders included Richard S. Beal of Boston University, and Jacob Korg, University of Washington, editors of the freshman prose text being used at BJC; also Donald Lee, editor of the *English Language Reader*, supplementary text used by freshmen.

The editors of the currently used *Handbook*, Professors Gorrell and Laird, of the University of Nevada, served as panel chairmen. John Fischer, editor of *Harper's* magazine, luncheon speaker, stressed the need for "a more thorough discipline in language through insistence in all areas of instruction," according to Mrs. Hatch.

Walt Whitman is "our only real American poet," stated Kark Shapiro, substituting for Robert Lowell. William Golding, author of "Lord of the Flies," flew from London to be the final speaker.

His theme was that the teacher and the novelist are one in providing the ability to use the occasion, and hyper-language to promote insight.

FOLK SINGERS VISIT BJC CAMPUS

Just in time for Christmas is the gift of Hootenanny records to the library from folk singers Hedy West and Rosalie Sorrell, daughter of Nancy Strangefellow of the Boise Shop, who were on campus Wednesday. To All Idaho Skiers . . . A CHRISTMAS WISH

I'm dreaming of a white Christmas,
Just like the ones I used to know;
Where the tree tops glisten,
And children listen, to hear
Sleigh bells in the snow.
I'm dreaming of a white Christmas,
With every Christmas card I write;
May your days be merry and bright,
And may all your Christmases be white.

Broncs Post Three Wins; Wrestling Drill to Start

Baby Bengals Bow To BJC Onslaughts

Boise Junior College spent the weekend in grand style by dumping the Idaho State University Freshmen on two consecutive nights, 82-73 and 66-60. The wins give the Broncs an even mark for the season at 4-4. Earlier last week, Boise shot in two the Treasure Valley Community College Chukars' upset hopes when they rolled over the Ontario school 85-72.

Last Friday night in the college gym the Broncs had to fight all the way to get past the squad from Pocatello. The Baby Bengals just wouldn't admit defeat and when the gun sounded, the score was knotted at 67-67. However, in the overtime the Broncs showed them who was really boss and completely demolished their defense, outscoring them 13-6. The final score ended up 82-73.

Dave Wagnon continued his high scoring ways by pumping 25 points through the basket. John Olsen, 6'4" sophomore, hit for 15, and Jay Murphy also hit 15. Randy Ackley contributed 13 and Rex Chambers dumped in 10. All five starters hit in the double figures. Ted Eichelberger and Jim Paige both hit for 19 for the visitors to lead them. The Baby Bengals were hurt early in the second quarter when Eichelberger hit a jump shot for two points, however, it didn't add to his total because the basket happened to belong to the Broncs. This basket put the Broncs ahead 38-35.

Bengals Fall Again

Saturday night the Broncs had a little easier time disposing of the University quintet, although the final score was 66-60. BJC led at the halftime 34-31. Wagnon hit 20 for the Broncs and Olsen added 19. They had to relinquish the honors, however, to Eichelberger who pumped through 22 points.

This weekend the Broncs travel to Pasco, Wash., to meet Columbia Basin Junior College, a team that defeated BJC twice earlier in the season.

DAVE WAGNON appears to be sitting down as he drives past an Idaho State University defender in an attempt to complete a "lay-in." Wagnon's shot was good and BJC went on to capture both contests from the ISU Frosh.

Dave plays guard for the Broncs and is a very valuable man to have on the floor not only as a point getter but as a playmaker.

RANDY ACKLEY

The 6'4" blonde haired forward you see scoring a steady stream of points for BJC is Randy Ackley. He hails from Boise and played his high school ball for Boise High.
